

CARABINERS / CONNECTORS

LARGE MULTIUSE STRAIGHT GATE

ALUMINUM ALLOY | STRAIGHT GATE | WIDE OPENING

Light alloy carabiner with straight gate and wide opening. The particular D shape prevents the rotation of the carabiner and allows to distribute the load along the major axis.

Equipped with Keylock system that prevents any snagging on the rope and in the bolts.

High quality product completely developed and produced in Italy.

Tested piece by piece.

Recommended for

Sport: Activities

Caving, Mountaineering, Climbing, Canyoning
