

## CARABINERS / CONNECTORS

### X-LARGE ALU SCREW SLEEVE

#### ALUMINUM CARABINER | SCREW SLEEVE

Light alloy carabiner with screw sleeve. The X-Large is designed to offer a wide gate opening and a high tensile strength. The particular D shape prevents the rotation of the carabiner and allows to distribute the load along the major axis.

Equipped with Keylock system that prevents any snagging on the rope and in the bolts.

Fitted with screw sleeve, easy to open even wearing gloves.

High quality product completely developed and produced in Italy.

Tested piece by piece.

\*Testing done on this device satisfy the performances requirements posed by NFPA1983:2017

#### Recommended for

##### Sport: Activities

Caving, Mountaineering, Canyoning

##### Professional: Work activities

Scaffolding and trestels, Confined spaces, Treeclimbing/arbiculture, Sailboats, Roof and inclined planes, Rope Access, Ladders and elevating platforms

##### Professional: Rescue activities

Mountain rescue, Firebrigades and civil protection, Tactical
