

AID CLIMBING

RESTING FIFFI

HOOK FOR SUSPENSION | AID CLIMBING

Ingenious alu alloy hook for belaying, aid climbing and stirrups. Resting Fiffi allows you to adjust the length of the lanyard and is self-locking.

Use with 7 mm static rope. Only for static loads!

With Resting Fiffi your stirrup can also be with single step.

The upper hole allows the insertion of a lanyard to recover from the top.

High quality product designed and manufactured in Italy.

Tested piece by piece.
