

SAILING ACCESSORIES

MOORING HOOK 201

Mooring hook that allows to hold and release a buoy when you are distant, avoiding the fixing of any support on the boat hook.

It's very simple to use, you just only have to keep the boat hook with one hand and pull the rope with the other one in order to open the gate of the connector.

Made with stainless steel AISI 316, it guarantees heavy load up to 24 kN.

Patent n° 9410992

High quality product completely made in Italy!
