

YATES TACTICAL

QR PERSONAL RETENTION LANYARD 563

NEW

Yates Tactical personal retention lanyard with quick-release shackle made of stainless steel.

Swedged release pin (New SOCOM requirement) eliminates plunger pin from releasing in the event the retaining ring is broken.

"New" Quick release shackle uses velcro to secure the release tab in place to lessen the chance of inadvertent release.

Lanyard rated strength 15kN.

Available in Terra and Black

Lanyard length: from 53 cm to 81 cm (21-32 inches)

Lanyard length extended with carabiner: 91 cm (36 inches)

This device is not suitable for private use, and it is specifically designed for use by the armed forces or in the maintenance of law and order.

Recommended for

Professional: Rescue activities
