| # | A(mm) | B(mm) | kN | g |
|-------------|-------|-------|----|-----|
| 650.16 00KK | 22.5 | 30 | 24 | 450 |
| 650.20 00KK | 25.5 | 56 | 24 | 590 |

La piastra del gancio d'attracco Kong si applica in pochi minuti a qualunque mezzo marinaio mediante due viti in dotazione.

The plate of KONG mooring hook can be fitted, in few minutes, to any boathook by two screws included.
